

PF PalletTop®

Pre-formed Rectangular Edge Protection

PF PalletTops are a smart alternative to expensive, hard-to-dispose-of wood pallet tops. Made by riveting two pieces of notched VBoard® together, PF PalletTop unfolds easily to form a sturdy square or rectangular shape to fit the tops, sides or bottoms of palletized loads to protect them from shipping and strapping damage.

Industry-leading design helps stabilize and unitize pallet loads

- Ideal for use with stretch wrap to create see-through packaging
- Easy and safe for workers to handle
- Can be used to hold corner posts in place on display-ready pallets for greater ease in unitizing and stretch wrapping
- Offered with a wide range of high-quality printing options: add your own logo or message
- Available in: 0.090" (2.29 mm/light duty), 0.120" (3.05 mm/light duty), 0.160" (4.06 mm/medium duty), and 0.225" (5.72 mm/heavy duty)
- Manufactured in leg lengths of: 2" x 2" (50.80 mm x 50.80 mm), 2.5" x 2.5" (63.50 mm x 63.50 mm), 3" x 3" (76.20 mm x 76.20 mm), 2" x 3" (50.80 mm x 76.20 mm), 2" x 4" (50.80 mm x 101.60 mm)
- Custom sizes can be designed to meet the precise needs of your particular application
- Recyclable and environmentally friendly

PF PalletTops ship folded to take up less storage space. It can then be unfolded and applied in one easy motion.
